IREM Austin Scholarship Program

IREM Austin Scholarship Program

The chapter's intent by awarding scholarships is to recognize those people who have the most potential to become leaders in the profession, to encourage those persons who are most likely to obtain their designation in a timely manner, and to support those persons who are active in the chapter and will continue to benefit the chapter by their participation.

Program Guidelines

- The application must be received no less than 2 months prior to the scheduled class.
- Scholarships can only be used for the class specified on the application.
- Scholarships can be used for on-line or classroom and are available for classes offered throughout the country.
- Scholarships are non-transferable and must be used within one year of being awarded.
- The official application must be submitted with the accompanying CPM Experience Form. We do not anticipate that all applicants will meet all the experience requirements as they are applying but want to know where they are in the process.
- An applicant cannot receive more than one scholarship for one class/track in a calendar year.

Scholarship Considerations

Scholarship awards will be based on several factors including, but not limited to the following:

- Member status - You must be a current member of the Austin Chapter either as a CPM Candidate, Associate, ARM or ACoM to receive an IREM Austin scholarship.
- Financial need - A detailed explanation of need should be provided on the application.
- In good financial standing with the chapter - All local and national dues are current.
- IREM involvement - Applicant must have served on a committee, attended luncheons and or participated in other chapter offerings. A detailed list should be provided.
- Anticipated designation award date - Applicant must specify when they anticipate completing all of the required coursework and when they will have met the Experience Requirements to receive a designation (ARM, ACoM or CPM®).

Courses Covered
